Subject: NFB & HTC: Site Progress

Hi Patrick:

I am updating my notes, timeline and eventually created a new PolRep. However, for NFB, I do not have specifics for the sample pits after May 10th and below is all I have for HTC. Please send me remainder of information. Thanks

Subject: Site Progress Today

Hi Eric – here is a summary of what was completed today (10 pits):

A03-S001

A03-S002

A03-S003

A04-S001

A02-S001

A02-S002

A02-S003

A08-S001

A08-BKGD01

A08-BKGD02

Please note that the background locations were dug with a new, clean bucket that hasn't been used yet. We also "decontaminated" along with the other equipment from NFB for good measure.

Remaining pits to be done tomorrow:

A09-S001

A09-S002

A06-S001

A07-S001

A04-S002

A02-S004

Let me know if you have any questions or concerns. Thanks!

Patrick Buster
